

Threes & Fours (Pre-K) Program

We offer a program that will provide the child with a wide variety of learning experiences so that the needs and interests of individuals may be met. A day may include a choice of activities in a number of interest centers: music, creative movement, art, science, dramatic play, cooking, reading, story telling, manipulatives, block play, outdoor play, and numerous thematic units of study. A balance of these activities is incorporated into large and small groupings.

- **Interactive classroom activities including daily circle time and story time**
- **Age-appropriate weekly / bi-weekly thematic units**
- **Classroom learning centers (manipulatives, blocks, dramatic play, art, sensory, science, etc.)**
- **Pre-academic skills (letters, sounds, numbers, math concepts, etc.)**
- **Indoor gymnasium and large outdoor playground with bike track**
- **Weekly group chapel with Bible stories and worship songs**
- **Weekly music class with songs, movement, and instruments**
- **Daily art activities emphasizing process art**
- **Age appropriate activities to develop handwriting skills**
- **Pre-reading activities from various age-appropriate curriculums. Additional games and exercises emphasizing letter sounds, blends, sight words and vocabulary.**

The Pre-K program is aligned with the Texas State Guidelines for Pre-K. Assessments are given twice during the academic year to guide instruction and measure each student's academic growth and progress.
