

Toddlers & Twos Program

Our program offers a very low teacher/child ratio which provides lots of caring interactions. We offer a warm, friendly environment that encourages early learning through hands on exploration and center based activities. Children are exposed to a variety of early music, art and sensory activities both indoors and outdoors. We provide interactive experiences that enable children to develop and learn through play while they feel safe and loved in a caring atmosphere filled with an abundance of individual attention and hugs.

- **Interactive classroom activities including daily circle time and story time**
- **Classroom learning centers (manipulatives, blocks, dramatic play, art, sensory/science)**
- **Daily art activities emphasizing process art**
- **Special cooking activities**
- **Age-appropriate weekly / bi-weekly thematic units**
- **Indoor gymnasium and large outdoor playground**
- **Weekly group chapel with Bible stories and worship songs**
- **Weekly music class with songs, movement, and instruments**
