ATTENTION TEACHERS: Once again you have the opportunity to participate in a fun evening with local artist and educator, Kimberly Keller, on both Thursday & Friday evenings from 6:00-9:00 p.m. Through a group painting lesson, complete with supplies, you will engage in a fun, interactive lesson as the student in Paint With Me, Kimberly Keller's mobile "van-go" painting party. You will see how a teacher teaches from a student's point of view, watch fellow students and become aware of the challenges a student might face in your class. Through the event which will give you three hours of credit for professional development you will problem solve, use higher thinking skills, and produce a masterpiece to take home or to your classroom to remind you of how invigorating learning something new can be. You will share your newfound excitement as a learner and teacher with your students as every glance at your creation will remind you how success feels!
